

Jeri Greenberg – Pastel Artist
Zoom Workshop – March 12, 2022 1pm to 4pm EST
“Making the Ordinary, Extraordinary”

Pastel Society of Central Florida is pleased to present a soft pastel workshop with artist Jeri Greenberg, via the Zoom platform. Jeri is a Master Circle IAPS pastelist, a Signature member of the Pastel Society of America, Member of The Salmagundi Club in New York, and member of many other national pastel societies. She has been teaching weekly Zoom classes and workshops to students all over the country and the UK. Her work can be seen at www.jerigreenbergart.com

Jeri invites you to join her in “Making the Ordinary, Extraordinary”, when we paint interior, every day scenes, and find the beauty that is all around us. She loves painting rooms, interesting patterns made by sunlight and shadows, and allowing viewers to enter a “personal space”. Jeri will talk about why she chose the scene, what attracts her to interiors, and how color choices and focal points can enhance your painting.

Workshop attendees will receive photos that we will all work on together. Don't worry...there is no need for you to be an architect. Jeri doesn't use rulers or straight lines. We will be finding and simplifying shapes and colors, and painting rooms that you and your viewer will find inviting. EVERY painting tells a story, and Jeri believes that each room she paints tells a different story. So, bring your imagination, your desire to try something different, and of course, your pastels to the easel.

A supply list and reference photos will be sent to workshop attendees in advance. You must be able to participate using the Zoom virtual platform.

WORKSHOP FEE for Pastel Society of Central Florida members: \$40.

This workshop is limited to 15 participants, and will be filled on a first come, first served basis, according to the receipt by mail of your registration form and \$40 check.

Cancellation policy: A refund will be issued if there is a replacement on the waiting list.
